WHERE THE BOYS ARE '97

Proposal and Budget
Saturday, April 19, 1997

INTRODUCTION
The Second Sunday Activities Committee would like to hold a Labor Day Tea Dance. This is the second annual Labor Day event sponsored by Second Sunday.

Our goals are:
- To fundraise for the Second Sunday organization.
- To strengthen the name of Second Sunday in the community.
- To provide an event for brothers to fellowship and network.
- To celebrate Black, gay pride.

DESCRIPTION
'Where the Boys are '97' is a social event that will be our linchpin fund raising venture for 1997. This year's event will be a 'Tea Dance' to be held on Sunday, August 31st between 5-10 p.m.

REQUEST
The Activities Committee hereby formally requests $500.00 from the Second Sunday Steering Committee. 50% of the $500.00 would be used for the down payment of the rental facility. The remainder of the money would be used for the initial set up of the events.

RENTAL FACILITY
The Activities Committee believes the type of space for our event is an important decision. We are in search of a facility with a minimum capacity of 1000 people. The type of space we are looking for will be adequate for dancing and networking. Our goal and requirement is to find a space in the downtown/midtown areas that is centrally located to the other Labor Day weekend activities.

AUDIENCE
Our target audiences are Black gay, bisexual, and transgender men.

FUNDRAISING
To coordinate 2-3 warehouse "Bare Bones" parties as well as other activities currently under review. Tentative dates for the 'Bare Bones' parties are Saturday, May 17th and Saturday, June 28th.

ENTERTAINMENT
The entertainment will consist of a DJ. We are also researching the feasibility of having live entertainment.

FOOD
We will serve light hors d'ouevres with a cash bar.

MARKETING
The Activities Committee has an ambitious marketing plan for ensuring the success of 'Where the Boys Are '97. Our goal is to sell a total of 1000 tickets. To achieve this goal, we are focusing our attention on presales for the event. Although we anticipate, a significant number of walk-

ups, we do not want to rely on these individuals to meet our goals. The marketing plan consists of two areas-- Ticket Sales and Advertising.

Ticket Sales

Here are some important deadlines for the creation and selling of the tickets:

Sunday, May 11, 1997	Announce in Second Sunday tickets will be on sale June 8th.
Thursday, May 15, 1997	Advertise in the Second Sunday newsletter Second Sunday Labor tickets go on sale June 8th.
Sunday, May 25, 1997	June Second Sunday newsletter mailed with announcement of Labor Day event
Sunday, June 1, 1997	Deadline for the creation and production of tickets
Sunday, June 8, 1997	Begin ticket sales at the June Second Sunday meeting
Sunday, June 29, 1997	July Second Sunday newsletter mailed with announcement of Labor Day event
Monday, June 30, 1997	June Monthly Sales Goal—100 Tickets
Sunday, July, 27, 1997	August Second Sunday newsletter mailed with announcement of Labor Day event
Thursday, July 31, 1997	July Monthly Sales Goal—500 Tickets
Friday, August 22, 1997	August Monthly Sales Goal—400 Tickets
Sunday, August 31, 1997	Where the Boys Are '97

Advertising

The advertising of the Labor Day event is an important component to the success of the activity. It's our intention to advertise across several different vehicles.

Periodicals

The two major periodicals are Venus Magazine and the Second Sunday newsletter. We are currently researching the feasibility of advertising in Venus Magazine.

Flyers

Flyers will be the major way we advertise our event. We will create flyers of different sizes to be distributed in the Second Sunday meetings, restaurants, record stores, clubs, and coffeehouses. During the month of August, there will be teams of Second Sunday volunteers who will pass out flyers in the area clubs. Also, several of our members will attend national activities in Washington D.C., Los Angeles, and Detroit. We will pass out our flyers in those cities.

National Events

We are researching the possibility of advertising our event during the Memorial Day weekend in Washington D.C., July 4th weekend in Los Angeles, and the 'Hotter Than July' event in Detroit.

Other Advertising Vehicles

Black Men Together is interested in producing a joint advertising campaign that would promote both of our activities.

THE HEALEY BUILDING

The Healey Building, once known as Atlanta's "Grand Old Lady", and the "Jewel of Forsyth" was designed by William T. Downing, an architect known in Atlanta for his famous works of Sacred Heart Catholic and Trinity Methodist Churches. The Healey was built during the years of 1910 - 1913 by William and Oliver Healey, owners of the Healey Real Estate and Improvements Company. In addition to one million dollars of the building's initial costs, 20 millions were spent in 1985 on renovations done by the new owners European based real estate development company Euram Resources.

Today, The Healey Building is on the National Register of Historic Places, and according to many Atlanta's architects, is the "best of the early skyscrapers" in Atlanta. Europeans' admiration says it all: "although there are other buildings in Atlanta to like, they have more simple architecture; The Healey could fit in Europe."

The main level of this Gothic Revival-style building features dome-shaped rotunda giving sense of grandeur and elegance. Details such as medieval ribbing on walls and ceilings, curves framing the doorways, marble floors, 74-year old barbershop, which is the second-oldest barbershop in Atlanta displaying mirrors dated to 1913, and other antiques, are creatively intervened with the 20th century business, work, and recreational environments.

Skylights of the building's majestic rotunda, light beams shooting up from the floor at each corner of the globular walls, lavishly oversized double-sided marble stairway, glass roof stretching throughout the all length of the Galleria Level present the magnificent view of the tree-level entrance to the rotunda. Overlooking rotunda atrium embroidered in brass and glass offers a perfect balcony for the most prized display of your event. Two rows of stairs surround atrium stretching up trough the second floor till the building's terrace - an entrance to the delightful site of Atlanta's most beautiful high-risers while sipping a cocktail or for those admiring al fresco dining.

From the main lobby the brass and glass embroidery continue its light and gracious flow down throughout the generosity of marble stairs, leading to the Market Level serving as a food court which offers spacious dining for those preferring privacy.

Currently The Healey Building is open to the public to share the beauty of one of the most precious jewels of the historic Atlanta - The Classy Grand Old Lady herself.

The Healey Building Limited Partnership, owner comprised of several investors including Euram Resources and Ultima Real Estate Services, LLC the provider of management and leasing services.

Setting the theme:
The building offers a broad spectrum of creativity. The natural colors and tones in the Building make it easy to use the colors you thought of when you've pictured the day of your event. Because of its extraordinary uniqueness, you will be able to design exactly where and how you want things to be arranged.

Choice of Caterer:
You will also have the flexibility of choosing your very own caterer to serve all of your guests. The caterer of your choice will be able to specialize in the type of foods that you desired to have served at your event.

Choice of Refreshments and Libations:
Instead of having to serve someone else's refreshments and libations and pay more, you opt to have your caterer purchase your desired refreshments and libations. Or better yet, you can purchase them at the store of your choice. With the creativity and flexibility that our facility offers, you will be able to set the mood, style and taste of your special day.

(AVAILABLE SAT & SUNDAY CONFIRMED Aug 31 Sun 5PM TIL 11 PM

Time avajlable:
It is hard to capture those certain special moments of your celebration when the event has restricted time. At our facilities you are offered to enjoy your event as long as it is possible. The Healey Building is available for your function from 6:00 p.m. Friday till 2 p.m. on Sunday.

Number of events:
Administration prefers One to be the number of events celebrated at one weekend or holiday; however, if our facilities are needed for more than one event, a special approval is required.

Kitchen sink, refrigerator, microwave oven:
Please note that the above mentioned utilities are located on the 7th floor of the Healey Building Suite 700. After the business hours, the excess to the 7th floor is limited, therefore, a security guard will issue an excess to a very limited number of people to enter the Suite.

Security officer:
To provide reasonable safety within the building's premises, a security officer is assigned by Healey Building at all times. It is against the policy to distract the security officer with asking for help in preparation for your guests coming. The Healey Building offers an additional security officer for safety at your request; please inquire cost.

Setting Arrangement:
The Healey Building will arrange existing plants, tables and chairs to your desire; please take your time and think trough every possible help that you will need in arranging your event, and we'll be glad to help you out in any way we can. Please note that we need to have your directions at least one week prior your event.

Furniture brought to The Healey Building from other companies or facilities must be approved by the Healey Building administration; please note that otherwise the building's security will not allow to bring the furniture inside.

Payments & Cancellations:
Please note that the security deposit, reservation downpayment, and the cleaning charge is payable at the day of reservation; the balance is due 2 weeks (14 days) before your event.

Failure to pay balance of the reservation 14 days prior your event will result in loss of your reservation down-payment and automatic cancellation of your reservation date. However, you will be fully refunded your Security Deposit and Cleaning Charge. Healey reserves the right upon this happening to attempt to lease the facilities to another party.

Cancellation policy requires for more than 30 days notification in advance; cancellation will result in a total refund of all payments made minus $100.00 processing fee. Cancellation within 30 days of your event will result in forfeit of an entire reservation deposit.

Cleaning Policy:
Gathering of your party's belongings must be done by 2 p.m. Sunday. Large pieces of trash such as paper, decorations, boxes, napkins must be removed by your party. Brought furniture or other belongings must be stored in one of the designated storage facilities and picked up next work day morning following the event.

Building Accessibility:
For those individuals who are physically challenged the building provides a barrier free environment as much as it is possible given the Healey's architecture; entryways and access to the public areas of the building have romped egress and ingress. Additionally, the building security personnel is directed, in their post orders, to offer whatever assistance may be requested.

Reservation:
For reservation inquiries please contact ~~Gena Corbett~~ at (404) 223-3272.

[N]or is coming out at the age of fourteen the same as coming out at forty-five, though the adolescent may be looking toward a long future and the man at mid-life may be reconciling time passed with an awareness of a limited future. Both generations face a similar psychological trajectory composed of necessary developmental crises that must be mastered to achieve a positive gay identity and life of integrity and satisfaction.

STANDING COMMITTEES

VOLUNTEERS NEEDED

YOUR organization needs volunteers to assist in the successful execution of our efforts and objectives. Much of the work can be done at your convenience. Our work does not require the member to be publicly "out". The activities of the Committees requires its members to generate ideas, set objectives, develop strategies, take action, and follow through for completion. We need men who are committed and dedicated to being of service to the Committees in promoting the Organization. The Standing Committees fuel, support and implement the varied needs of SECOND SUNDAY...

ACTIVITIES COMMITTEE

[Terry Hooks, Director ... (404) 892-7217, Activities@SecondSunday.org]

MEMBERSHIP COMMITTEE

[T.W. Jewel, Director ... (404) 794-8017, Membership@SecondSunday.org]

The Membership Committee is responsible for the implementation of recruitment programs and retention of members. They disseminate information to members, and create and maintain the membership database.

OPERATIONS COMMITTEE

[Damal Edmonds, Director ... (770) 833-9970, Operations@SecondSunday.org]

The Operations Committee is responsible for enhancing the sense of community within the organization. Its initiatives span the spectrum of providing the food of fellowship at the end of the monthly meetings and other special events.

PUBLIC RELATIONS COMMITTEE

[Darrol C. De Andre, Director ... (770) 435-5860, PublicRelations@SecondSunday.org]
